MATTI SALONEN

Senior Front-End Developer

Hey there! 🙂 I'm a 👨‍💻 senior front-end developer with skills in React , Vue.js, JavaScript , HTML, CSS, Node.js, PHP , Bootstrap , and more. I'm great at creating dynamic user interfaces using React and Vue .js, and I can build robust web applications with Node.js and PHP. I'm also skilled in creating mobile-friendly designs with Bootstrap. My code is always clean and easy to understand, and I never shy away from a challenge. I'm a 🙌 team player who loves to learn and create beautiful user experiences. If you're looking for a skilled front-end developer, I'm your person! 😃

WORK EXPERIENCE

Senior Front-End Developer
Columbia Road

07/2018 - 05/2023   *Helsinki, Finland*

Columbia Road is a digital growth consultancy by Futurice with strong expertise on growth hacking, full-stack marketing and digital commerce.

Achievements/Tasks

- Mentored 8 new junior front-end developers on team in expanding JavaScript, React, and Angular skillset.
- Led bi-weekly stand-up to ensure team worked effectively, using coaching strategies to increase efficiency by 10%.
- Developed real estate valuation, analytics, and platform technology solutions as part of a 5-person team.
- Designed and implemented web applications along with 3rd-party software integrations as a web team liaison for all inter-departmental and customer-facing projects.

Front-End Developer
SANGRE

09/2015 - 01/2018   *Helsinki, Finland*

Their team of fewer than 50 serves mostly midmarket businesses in industries such as e-commerce, business services, and healthcare.

Achievements/Tasks

- Rewrote HTML to meet industry and company standards for SEO and Accessibility. This drove a 600% increase in users by appearing on the first page of Google search results.
- Tested, debugged, and shipped 10s of 1000s of lines of code to various development teams. This lead to 100% bug-free deployment.
- Utilized HTML, CSS, and JavaScript to create 100+ responsive landing pages for both company and client.
